## SPRING BLOSSOMING BULBS

Plant any time between September 1st and freezing time. Plant Tulips four inches deep and four to six inches apart.

Bulbs should be lifted every second or third year, divided and reset, as they increase rapidly.

### Early Spring Tulips

Blossoming time of these Tulips is during the month of April.

Price per 100 is seven times the dozen rate

## Perennial Plants

We grow perennial plants of all kinds. These are best transplanted in fall or early spring, while plants are dormant.

They range in prices from 15 cents each or \$1.50 a dozen up, depending upon the size and rareness of the plant.

## Annual Plants

We grow annual plants of all kinds for bedding out in spring.

## Potted Plants

We carry a good line of Potted Plants in our GREEN HOUSE during the winter.

## Baskets

We carry a good selection of baskets at reasonable prices.

We make many of our own and will make to order if desired.

We have baskets to loan with flowers bought here or baskets to rent to be used with your own flowers.

## Decorations

We will be glad to arrange flowers for parties, luncheons, weddings, teas, etc.

*Visitors are cordially invited to visit the Garden  
at any time*
